

## **Forgotten Sherpas of Nepal Trust**

### **Namaste to all our friends and supporters**

The COVID-19 situation in Nepal is teetering on the brink of disaster. Due to their porous border with India bringing the more infectious variant into Nepal, case numbers and deaths are very high and the Nepalese health system struggles to cope with hospital beds, vital medicines, ventilators, oxygen and PPE supplies all critically stretched.

Only 2% of the population has been vaccinated and now their expected supply from India has been stopped. The Forgotten Sherpas of Nepal Trust is raising money to be used specifically for COVID-19 defences.

If you can help with a donation it would be well used and very much appreciated.

Donations can be deposited into our account at SBS 03 135 50756012 01 Account name is Forgotten Sherpas of Nepal Trust. Please add COVID as a reference and include your name if a receipt is required. As we have donee status in New Zealand, all donations over \$5 are eligible for a tax refund.

To enable us to know where to send receipt please send an email to
